PITCHING AND DEFENSE DERAIL VISITOR ASPIRATIONS AS OFFENSIVE OUTPUT IS GREATLY DECREASED.

ALEX DELIGHTS HIS TEAMMATERS WITH A MASSIVE BLOW THAT DEPARTS DEEP INTO THE DEMILITARIZED ZONE OF THE WOODS WERE THERE'S IS NO DEFENSE. HIS MASSIVE CLINCHER DEPORTATION, DEFOLIATES DENUDES AND DEFLOWER DECIDUOS TREES AND EVERGREENS ALIKE. I DEMAND BY DECREE THAT HE GETS TODAY'S MVP. HIS GRAND SLAMMY DRIVES IN 4 OF HIS TEAM'S 6 RUNS AND LEADS TO THE VISITORS DEMISE. IT DEPRIVES VISITORS OF A WIN AND LEAVES THEM DEJECTED, DEMORALIZED, DEVALUED, DEMEANED, DEPRESSED AND DEFAMED,

VINNY, FOR THE PURPOSES OF THESE HIGHLIGHTS, VIN **DI**ESEL, HAS A COUPLE OF NICE HITS AS DOES BOBBY AND RALPH.
THE GERB **DE**BILITATES THE **DE**FENSE WITH HIS RBI SMASH TO CF

SPEED **DE**MON JON ZWEE PREVENTS A SMASH TO LEFT FROM FLEEING TO THE FENCE WITH A FINE OVERHEAD STEAL, LEADING TO CHANTS TO **DE**CRIMINALIZE THE STEALING OF HITS.

HARLON IN LCF, **DE**PRIEVED THE OFFENSE OF A HIT AND A RUN WITH 2 VERY FINE PLAYS IN A ROW.

NICO AT SS **DE**CREASES POTENTIAL BASES RUNNERS WITH A MAJOR LEAGUE QUALITY PLAY OF A SLOW DRIBBLER TO NO MAN'S LAND. LATER ON, HE SHOWS HE CAN OUT FIELD ANYBODY, BY MAKIING A RUNNING GRAB **DE**EP INTO FOUL OUTFIELD TERRITORY.

IT FIGURES THAT THE **DE**FENSIVE PLAY OF THE GAME THOUGH, WAS MADE BY **DE**-AN "HICK." HIS SLIDING CATCH WAS LIKE A **DE**RAILED D-TRAIN IN RCF.

# WHAT A GREAT SOURCE OF PRIDE! CONSECUTIVE MONTH 165 IS ACHIEVED. KUDOS TO ALL WHO MADE IT HAPPEN.

## Game 23 Sunday, 6.1.25 KPP5 BASED ON SULLY'S SCOREBOOK

His Johner vs. LEETEE

The visitors were tickled pink after they jumped off to a 2 run first inning start thanks to safeties from Jon Speil, Bryan BLACK, and Mark Leder and a sac fly from Dave G. But in the 3rd inning they grew green with envy for the home team who successfully reached their home 6 times thanks to base hits from Zee, and Plata, who were advanced by a Bobby hit and driven in by a base hit from Sully. Ed I followed that with a base hit of his own to juice the bases. This gave Slugger Rich Luzardo a golden opportunity to break the game wide open and he did just that, with a moonstruck grand slammy, which really made the visitors blue. They didn't exactly paint the town red but the visitors answered back with a run in top 4 on Leder's single, Gerb's walk, Dr. Ed R's single and Jack RBI base hit.
But by the bottom of the 4th it became obvious that the visitors were just chasing rainbows, as the home team scored 3 more on a single by DougB, a double by Mark Putter, a single by Charney, a sac by Zee, and an RBI single by Senor Plata and appeared to have a commanding lead. Things settled down a bit, but then in top 6 the visitors scored 3 to bring the score to a respectable 9-6, due to a single and a double by Jon Spiel and Lee respectively and a sac fly by the Gerb. But the nearer their destination the more the Vizziies kept slip sliding away, as the Homesters Ip and Kono (RBI) singled and a doubled respectively and then Doug B (RBI) and Mark Putter doubled and singled respectively to give them 2 more runs to put them in the Black by 5 , which is where it remained.

### Roll out the red carpet for Rich Luzardo who was the game's MVP

Since every cloud has a silver lining, for the Vizzies

- Jon Speil bashed 3hits and Lord Bryan crashed 3 hits including a duo bagger.
- Gerb played the sacs twice for 2 RBI.
- Ed R shined on the silver screen with 2 unbelievable running gold glove snatches down LF, one was way overhead.
- Jack gems at the red hot corner in a crucial spot.

For the winning homies smashing that white ball until it was black and blue were:

- DougBee was red hot with 4 hits including a doubee and 2 RBees
- Plata (Silver en Ingles) 3 hits including RBI
- Charney RBI double
- M. Putter- 2 hits including 2B'er and rbi
- Kono – ditto (2 hits including 2B'er and rbi)
- Bobby – 2hits and a BB

DP's made:

- 1-5-3 Lee -Jack- Steve H
- 6-4-3 around the horner Ed I – Rich – Zee

**Play of game**

The **white** haired Pfefferrneffer was caught **red** handed stealing a hit, as he gunned down a runner at 2b to make a fairly long, sharp, base hit into a force play.

Give everyone above **brownie** points.

I take **pride** in my work but I realize, there may be some shortcomings, which cause me to be **red** faced. Please forgive and accept apologies for any **off color** remarks. Hopefully I won't get a **pink** slip for them.
Thank yous to Sully for scoring the book and Lee-Bob for side-making and coordinating as always.

Please sign up for Saturday and let's get back to using 2 diamonds.

## Game 21 Sunday, 5.25.25 A-WOOD Based on notes by Lee

His Johner/Lee vs. The Magnolia Man (Leder)

### THREE OF THE SPARKLIEST DP'S YOU'LL EVER SEE.

- RICH L – TAGGED RUNNER TO ZEE 4-3
- LEDER TO BRYAN B BAREHANDED THROW TO STEVE 1-6-3
- ZIG BACKHANDER AT SS TO STEVE H 6-3

After a scoreless first 3 frames Bryan B hits a BB, (Big Bloop) to drive in run 1 in bot 4.
In Bot 7, the man of the same name leads off with a triple to the outlies of A-woods, but the Judge works out of the jam! After 8 frames the score was 1-0 in one of the most outworldliest pitching and defensive displays that anybody has ever seen and certainly belies the age of His Johner.
The deadliest blast was a booming bases loaded triple drive by Mario in bot 9.
The unlikeliest homerun type though, was provided by one of the most kindliest guys, Ed I.
Another of the defensive swellies was performed by Bryan B who on one of the most chanciest of plays, picked off one of the most sprightliest of allstars at 3B, rather than go for the sure force at 2B.
Adding to visiting run supplies were tack-on-runs produced from deep flies, by Lord Bryan, Leder flower eater, Jon Spiel and the Davi-est of all Gerbers anywhere.

Thank you to Gordon who came by to umpire though he did not play.

## Game 22 Monday, 5.26.25 KPP5 BY Lord Bryan

# Kudos to this Memorial Day Weekend's Iron men (See attached photo) who played all 3 days in a row. They include some of GNSB's friendliest, elderliest, jolliest, bubbliest, and kindliest.

(L. to R. Kono, Steve H, Plata, Gary W, Leder, Bobby, DougB, Dave G, Super Joe, Zee, Jon S, Bruce, Bryan, Ed I)

Ralph versus Leder

Kono started things off with a rip to right, followed by an absolute bomb by Luzardo. Home run. 2–0.
Web gem by Gary the Z.

Kenny got it going with a base hit. (Kenny quad hurt again rest up dude) The Zpeedy Ziggy ran for the recovering Kenny. Sineno ripped one to right, and Ziggy never stopped sprinting to third—but Marc Dr Pfeiffer made a gorgeous throw, beautifully received and tagged placed by Jonathan Spiel. Paradoxically, there would've been no damage if Kenny had been running—he would've just casually stopped at second.
The very hot Mario smoked a liner to drive in a run, making it 2–1.

Top 3: Kono with a deep hit to right. Ralph smoked a liner. A couple of seeing-eye singles. A couple of runs. Highlight of the inning—and possibly the season—was Vinny running the bases carrying a full cup of coffee.

Bottom 3: Mostly uneventful, but a great catch in right-center by Kono off a semi-bomb from Joseph Sineno.

Top 4: Doc Ed smoked a single. Moved over by Mr. Ed Ip. Nothing doing.

Bottom 4: Leder with an absolute bomb to Roslyn. Home run. Some trouble brewed after—or before—that, who knows, but Big Rich ended it with a leaping grab.

Top 5: Bobby en fuego with a rip to center. Another rip by Kono. First and second for Ralph the Zuckerman. Rip by Rich the Ripper. Black clears the bases. Pfeiffer psingles. Pspiel rips one to right-center.
Great full-extension grab by Mario on a foul ball to calm things down. Oh—and Leder snags a smoker off the bat of Dr. Ed to end things.

Top 6: Douglas, Ip, and Weinstock Incorporate load the bases with singles. Ziggy to Gary Z with a sexy barehanded putout to end the threat. One run scores.

Bottom 6: Ziggy bashes a Zriple to deep center. Joe ropes one to right to drive in Zig. Homies chipping away.

Top 7: Kono leads off with his ninth hit of the game. Ralph smokes a single. Luzardo smokes a liner down the right field line for a double. Smoking permitted. Pfeiffer lines a single. Sineno—wow—a diving catch in center to rob the visitors of a hit and a couple runs. But a couple do score.
Homies need to get it going. Can they touch up Ralph? Stay tuned.

Bottom 7: Ralph working a new screwball-like pitch. It's working. Top of the order coming for the Homies. 13–3. LFG.

Bottom 8: Weinstock rips one to right. Bobby rips one up the middle—barehanded by Sineno to prevent a run. Kono with a bloop single to right to drive in Weino. Anothet run in that the editor didn't even notice.
On to the 9th.

Top 9: A couple of hard-hit balls, but great glove work by Ziggy and Blattberg shuts it down.

Bottom 9: Spiel makes a nice play to check the speedy Jon Z at second and quickly throws to first, where Douglas makes a very nice pick for the out.

Top 10: Nice rip by Douglas to start it. Rip up the middle by Weino, but Kaat-like reflexes by Lee end it.

Bottom 10: Things got interesting—Bruce whacked a hit, Ziggy, Joseph, Marioooch gets another, Lee a base knock, a single from someone else (name indecipherable in Bruce's notes)…
But it didn't get that interesting. The rally falls short.
The Homies scored four runs to win the 10th, but alas—the game was won by the visitors.

Final: 15–9.
Gorgeous day. Life is good.

# Many thanks to Bryan, Gary Z and Lee for their highlight contributions. Great effort and great jobs.

# And as always, thank you to our sidemakers

# A GOOD DAY TO CATCH SOME ZZZZ'S
# Game 18 Saturday, 5.17.25 KPP5 BY A BRY-ZZILLIANT YOUNG MAN

Eric the Uniform vs. Ralph the Zuckerman

Bottom of the first, home team: a couple of singles and a sac fly by Leder. Eric the U with a nice rip to drive in a run, and someone else drove in a run—who can remember?

Top 2: Dr. Ed smoked a liner and eventually scored on a close play. On to the bottom of the second.

Top 3rd: controversial "non-bunt" "drives in" a "run," followed by controversial use of "quotation marks."

After multiple foul ball pop-ups, Seth Cohen makes a great catch behind the plate to end the inning.

Top 5: Juan El Counsellor smokes a liner for a base hit. Then Bobby hits a demi-bomb into right-center. Bobby, running well lately, tried to stretch it into a double with second base unoccupied, but Alex galloped to second just in time to receive the toss, apply the tag, and prevent the run.

Lee of the formerly flowing hair makes a leaping catch to rob the lately-hot Gary the Z of a base knock.

Top 6: Ralph smokes one to right-center, Kono threads a single, followed by Arik's single to right-center. A couple of great plays by Jack stem the bleeding. Two runs in.

Dr. Ed with a beautiful OTS catch (over the shoulder, for those not hip to the acronym scene) to rob Zweibel of a double maybe triple we will never know. Alas, a couple of runs scored off the bat and speed and sinewy muscle of young Alex. Two runs in.

Rumor has it there was a base hit by Gary Z to load the bases in the bottom seventh, but the inning ended like a fart. More on Gary Z later.

Top 8: another base hit by the hot and healthy-hipped Bobbert, but a beauty of a play on the bump by the U to finish the inning.

Bottom 8: Alex started it off with a base knock. Leder hit a bomb of sacrifice fly to bring him in. Nice play in the field by Marc Kono to end it. Two runs in.

Top 9: Arik smokes a double down the third base line. Somehow he scored. Check that—Gerber drove him in. One run in.

Top 10: Juan smokes another single up the middle, but a Kranepool-esque play at first by Z-Dog ends the inning.

Hard hit by Joseph, Ralph took a walk, rip by Arik, and a hit Kono led to three big runs as the Vizzigoths take a one-run lead, 9–8, in the top of the 11th. Playing 12.

Bottom 11: Zweibel leads off with a hit. A base hit by Pizza Boy leads to first and third. A couple of base hitz bring in two runs, but a big play from Lee to Arik to throw out a runner at third ends it. Homies up a run heading into the top of the last.

Last licks for the vizitors: there were some threats, but the highlight of the game came with the Pizza Man fielding a ball deep at third, launching it to first. The ball is on its way....runner on the way to first....and....Gary "Zorro" Zwetchkenbaum makes an incredible pick of a short hop to end the game! What a finish!

## Game 19 Sunday, 5.18.25 A-wood

Zealous Softball Showdowns: May 18th, 2025
Today saw some *zany* action on the softball diamond. It began with *zazz* as teams took the field, each with their own unique game plan. featuring lots of player pizzazz, snazzy fielding plays and zippy, *zigzagging* running between the bases
A lot less than a *zillion* fans were glued to their seats, anticipating the next exciting play. Whizz kids Feinstein and Beck, imitated Dizzy Dean with dazzling pitching displays. As usual, controversial cals had everyone *buzzing.* The final innings saw players exhibiting a *zest* for victory, and the weekend finished with a couple of nail-biting, *dizzying* one run games, leaving the outcome uncertain until the final out. Ultimately, it was a weekend of *zest* and zealous competition that made other softball game players jealous.
Great sidemaking job. Kudos to Lee.

## Game 1 Saturday, 1.18.25 KPP5 by Bryan Black

A Long-Awaited Return to the Field

The game kicked off with the usual mix of grumbling and slow bending after a long hiatus. Some might say there was a lack of "welcome backs" and hugs but this writer is a sucker for manly affection. Alas…onto the game…

Bri Star opened 2025 with a single. Bri smoked a double later on and even later was to be robbed by Jack at third on a screaming line drive. More about Big Bad Jack coming up…

Luzardo smashed a triple to drive in Mark Putter. One of few bright spots for team Feinstein.

Doc Ed got hearts pumping with a homer to the gap-part of his six-hit performance, falling just short of the cycle. Needless to say, Feinstein brushed the good Doc back on the next at bat.

Ed the Cop chipped in with a clutch two-RBI hit, keeping the offense rolling. The Leders would never again lose their lead.

A couple of runs crossed the plate in the bottom of the fifth for the Leders, despite what the Jolly Rancher described as the "least lively new ball" he's ever played with.

The highlight of the top of the inning came when Mark Leder elevated umpiring to an art form, calling balls and strikes with a cuneiform-inspired sign language that clearly went unappreciated. Mark is simply ahead of his time. (Leder also pitched a doozy).

Mount Jack and team erupted  again with a 7 run 8th. Hits by everyone including Jack and Leder and Dr Pfeffer and Ed the Cop (also flashed his leather piece in the field), Big Nick and Izzy spiel. But the big boom of the inning was a double to the gap in left by one Gary Z who graciously stopped at second to not run up the score. Pitcher Feinstein left the 20-7 game after giving up zero earned runs.

Jack was the game's MVP clearing bases with a double and two triples to right-center, delivering a dominant performance.

Overall, it was great to be back on the field. Here's hoping the weather gives us a few more chances to get out there before spring arrives.

## Game 3 Saturday, 2.23.25 KPP5 by Bri B

Softball weather G!ds came through with 100% sun
A beautiful day, and we could almost feel spring in the distance.

On the field, we had three Zuckerbergs, one Zuckerman, and a Zwetchkenbaum. Stay tuned to see which of these Zorros left their mark.

It was Ralph vs. The Judge on the mound, a battle of wits and whiffs.

Game Highlights

- Seth Cohen smoked a line drive to second, but Jonathan Zuckerman levitated a good three to four inches off the ground to snag it for the third out. Seth later stretched a liner into a double and came around to score, driven in by an unidentified batter.
- Eddy Ip made a slick play at third, fielding a grounder, stepping on the bag, and firing home to Bobby, who applied the tag to a batter who was spinning like a whirling watermelon stick.

- One of the biggest hits of the game came in the third off of Mario's hot bat(it's been hot for approximately 24 straight months)—a screaming liner hugging the first baseline into deep right. Brian Star made a gallant effort to track it down, but Mario motored into third with an RBI triple.
- Putter doubled, his team admired it, but it ultimately led to nothing.
- Pfeffer doubled, Doc Ed tripled—momentum was building.
- Gootz made a running grab off Gerber's bat. Lots of alliteration, lots of outs.

But when it came to the MVZ (Most Valuable Z), it was Ralph Zuckerman. He was masterful on the mound, mixing speeds and locations like a pro. His squad took the win, 12-3, and John Hunt's team never really threatened.

A great game, a great day, and a reminder that softball season is just getting started

**Game 4 Saturday, 3.8.25 KPP5 by The Venerable Bo-double B double y-dawsky**

An early spring type day brings out 18 softball lovers. For the visitors they were ready as they knock in 8 in the 1st. JonZw, Ralph & Bryan all have 2 hits in the 1st. Ralph also knocks in 3 with a single in the 4th, part of his 6 hit day. Jack & GarW each have an early rbi for the homies as score is more like a football score. Ralph is complete control for 7innings, until the homies wake up as they realize the clock change was not today but tomorrow. With the Homies down 11 runs they score 10 runs in 8& 9th innings, but they fall short as SethS squeezes the final out in this long 2 1/2 hr game.

## Game 5 Saturday, 3.15.25 KPP5 by Lord Bryan

The morning started with a scolding of some players for their "late" arrival, opening an argument as to what constitutes "late" at Great Neck Softball. The scolding occurred at approximately 8:53am. Team Cowboy does indeed call for an 8:45 AM arrival. But the game itself doesn't begin until nine. This can be brought up at the next board meeting.

Onto the game.

John Hunt vs. Ralph Z on the bump.

Bases loaded, bottom of the first—Lee with a nice catch of a deep foul ball in right, and then all kinds of other wacky stuff happened I don't quite remember, ending with a force out at second. No damage done.

Third inning —some very clutch hits by the Human Watermelon Stick who turned heads with his 9th hair style of the new year, and Dr Pfeffer which led to some runs. (Later, both of these studs also had decent throws from the outfield that were unsuccessful but decent nonetheless.)

Bottom of the third. Stevie Feinstein hit a triple—he called it at the plate. Not quite Ruthian to call a triple—let's call it Feinstein-ian. But it led to runs nonetheless (second time I've used that word, sorry.) Jack

pointed out that at this point in the game, he already had two hits but they didn't lead to anything because, as Jack said, he hit the balls "too hard." Very Schoen-ian.

In an otherwise uneventful top of the 4th or maybe the 5th, speedy Seth Kurpiel made a beautiful grab of Nico's bomb to right-center, which likely would've been an inside-the-park home run had it not been so deftly fielded.

Whoa—as I write this, John Hunt fielded a laser hit right at him by Jack Schoen, who gets sat down for the first time in the game. Jack again hit it too hard.

Robert Widawsky hit a BOMB over the left centerfielder's outstretched glove. Eventually Bobby arrived at second standing up after driving in a critical run or runs. (Prob somewhere around the 6th)

New feature….
"Zwetchkenbaum-isms" heard in the dugout today:

- "I'm more of a line drive hitter."
- "I keep thinking it's 40 years ago."
- "I'm a ……..in my own mind."
- "If they put me in short center, I'm ….. …."
- "Who wants to go for breakfast?"

Bottom of the eighth—John Spiel gets on base, Jack then hits another rope down the right-field line, then Seth Starr rips a sac fly to center and Spiel hustles up to score to bring it to a one-run game. Gary "The Breakfast" Zwetchkenbaum does indeed know his/thyself and did indeed rip a line drive up the middle for a critical base hit to put runners

in scoring position. Not really sure what happened after that. This isn't quite Roger Angell-level reporting, sorry.

The visitors put up another run in the top of the last inning. Ralph's home squad headed into the bottom of the ninth down two.

In the bottom of the ninth, there was a smidge of a threat, but Nico made a beautiful backhand stab of a hard grounder to end the game.

It was a great one. Okay, not great, but a very good one.

## Game 6 Sunday, 3.16.25 KPP5 by Bogby Widawsky

Sunday 3/16, only 17 members will come to Kings Pt Park on a beautiful last week of winter day. With 2025 1st weekend of back to back games our showcase game as the 17 members take the best of the situation with hitting, fielding & showing off there softball skills. Many laughs at the great plays & the comedy of errors was had by all.

## Game 7 Saturday, 3.22.25 KPP5 by Lord Bryan

Andy v Doug

Visitors struck first. Black drove in IP.

Visitors with 3 in the second after a couple hits and Pfeffer rips a double right on the left field line.

Home boys get on the board—Doc Ed smokes a triple into right center and helps his own cause with a sac fly and ends with an absolutely glorious double play started by pitcher Douglas Ochocinco Koch.

Jack hits it hard but not too hard with a sweet single piece to right center to open the third.

Top of the fourth, the homies go down after Douglas fields another tricky high hopper and delivers it to second and Gary the Z completes the double play.

Not sure what inning, but Pfeffer gets another hit —part three of his cycle as he so generously reminded us —and then Lee F. Tannenbaum and Richard Luzardo turn a beautiful double play to end the inning.

Top 5th—Lee F. makes a backhand stab to end the inning and save a run.

Seemingly noisy bottom of the fifth resulted in just one run for the home boys. Luzardo had a nice little blast there, finally avoiding the fielders.

Top six—Gary The Z and Bobbi with back-to-back base hits.

Top of the seventh—Visitors score 2 and leave the bases loaded.

Doc Ed makes a beauty of a diving catch off a smoked shot by Merry Mark Leder.

Alan Flicker smoked a double piece to right center and Bobby moves him over to third with a hard-hit ball to the right side. Pfeffer drives in the run with a fly to right. A few bloopers and a bomb to right center by sexy Mark Leder led to a few more runs.

Bottom of the final inning—the terrifying combo of Sineno and Luzardo Incorporated both got on base but they went down. Had a run being scored in the final score.

“Bobby, what was the final score?”
12–5.

Enjoy the week. Miss you guys.

## Game 8 Saturday, 3.29.25 KPP5 by the Bobber

80 degrees, full capacity as 24 members showed up. 12 innings a pace of 10 minutes an inning. Final weekend of 1 diamond on Saturday. Full speed ahead as GN weekend softball plans on running 2 diamonds this Saturday. So dust off ur gloves for the softball hibernating members. Oh by the way we had a great game. As Bobby would say " we gave them a good product!"

## Game 9 Sunday, 3.29.25 KPP5 by Lord Bryan

In our showcase showdown it was The Judge vs The Leder…

First inning, visitors flash some defense. Steve the Scoop Hershorn scoops a beauty after Mario also flashes leather at third.

In probably the second inning who really knows, Rich Luzardo hits a bomb to right field. Doug Beck gets a highlight here for cutting off the ball and stopping a sure home run.

***DID YOU KNOW?***
For the first time in Great Neck softball history, there were three Eds on one team, dubbed “The Tri-Ed” by Juan Plata (who also had a big hit later in the game god knows what inning it was) —only bested by multiple previous appearances of four Garys on one team!

IAfter making a fabulous play at third, Stevie Feinstein has to go home with a pulled calf muscle. We wish him a speedy recovery.

Gorgeous Mark Leder drives in speedy Ziggy after smoking a liner up the middle.

Black hits a triple and accidentally turns it into a home run, and then Ed the Cop smokes a triple and is driven in on a beautiful sac fly by Dr. Ed.

Jon Spiel opens the next inning with a beautiful play at third, and then a few other things happened. Then Ziggy smoked a hard grounder - the first of his 19 hits - down the line to drive in a run.

Apparently, there was a two-for-one sale on leather, as Jonathan Spiel flashed some more leather the very next inning and ending it with a beauty play at third base.

After hitting the ball hard for most of the day, Seth Cohen beats out a grounder and lands safely at first. But Jack Schoen Schined in left to end the inning with a beautiful Schoe Schring catch off the bat of the super-hot Luzardo.

Sometime during the back half of the game, a big HR by Gordon and big hits by Ziggy, Leder, Steve H., a sac fly by Pfeffer, and pretty much everyone else on the team led to a bunch of runs.

More runs the next inning by all the same guys. OK, at their insistence I will state their names: Ziggy (on base six times today!), Gordon, Leder, Pfffeffeerer and Steve H who legged out an infield base hit.

Doc Ed then leads off with a beauty to oppo field. The Editor is trying to be enthusiastic, but that inning ended with a fizzle.

In probably the brightest (only bright) moment for the home team, Seth Cohen makes a glorious a catch in short centerfield to rob Gordon (great day for Gordon many hits and many, many juniors) and end the inning—glory hallelujah.

The game ended shortly and mercifully after that stellar catch.

Final score: A lot to a little.

Until next week…

WE RESUME OUR REGULLAR SEASON TIMES STARTING THIS SATURDAY, APRIL 5. GAME TIMES **8AM -1OAM. BE AT THE FIELD NO LATER THAN 7:45AM.**

**Hey Gary, here's my recollections from Saturday:**

**I believe it was the third inning, throw home, one run scored then a break down for the homies happened as a run down ensued with runners not knowing what was going on with mass chaos erupting from homies. With one run across and one out made at third, the visitors were able to get out of the inning.**

**Top of the 8th inning, two runners on second and third, forget how many outs there were, I come up and connect on a ball over both left fielders heads who were left wondering "who, what, where, when, why?" For a double to basically seal the deal for the visitors.**

**I don't really remember anything else from Saturday, those are the two big things that stand out.**

## WE HAD A REAL GOOD TURNOUT THIS WEEKEND. IT WAS SO NICE TO SEE IT. LETS KEEP IT GOING!

## Game 11A Saturday, 4.19.25 KPP5 by Lord Bryan.

Ralph Z v Pizza Man

Luzardo RBI double.

Couple come backers to the mound deftly fielded by the Pizza Guy who in the following inning proceeded to rip a line drive single in the bottom of the first. Alex hit a towering home run that, during its flight, "too high" was murmured from the dugout, but it did indeed clear the fence to drive in Pizza Guy.

Another 2 rbi oppo double for Luzardo in the top of the second.

Homies threatened but Spiel-Sully-Luzardo turned a double play with bases jammed.

Luzardo, another RBI single but  a double play ends the inning. Lee turned it beautifully.

Jon spiel smoked a beauty to right center for a triple and then hustled up to score on a sac fly.

Great pitching.

Great pitching.

Fastballs.

Fastballs.

Knucklers.

Junk.

Some walks.

Another hit by Pizza Guy in bottom of the bottom.
We are now reporting live. Homies down 9-6. Oh!! Leder hits a big time triple to right center to get the homies within one.  Alas the homies couldn't get closer.

9-8.

Ralph pitched a gem.

Great one.

## Game 13 Sunday, 4.27.25 A-wood submitted by the author

IN A LOCAL SUBURBAN PARK DURING A DAY OF SUB-FREEZING WIND CHILLS, MARK LEDER SUBJECTED OPPOSING BATTERS TO A BARE SUBSISTANCE DIET OF ONLY STRIKES, WHICH WERE BARELY STRIKED, BUT WHEN THEY WERE, HIS TEAM'S DEFENSE PROVED TO BE SUBLIME.

- ZEE SUBTRACTED POTENTIAL FUTURE RUNS BY MAKING A WILLIE MAYSIAN, OVER HIS SHOULDER, RUNNING CATCH OF A FOUL BALL NEAR THE GATE.
- KENNY M SUBDUED A POTENTIAL HIT WITH A CATCH SNATCHED OFF THE GRASS.
- LEDER'S TEAM FURTHER SUBJUGATED THEIR OPPONENTS WITH HEAVY HITTING BY:
- JON SPIEL, WHO CRASHED 3 HITS INCLUDING A BASES LOADED TRIPLE TO RCF.
- DR. ED R, WHO HAD A VERY SUBSTANTIAL OFFENSIVE DAY GOING 5 FOR 5, INCLUDING A DOUBLE!

- DOUG BECK, WHO SUBSIDIZED HIS TEAM'S OFFENSE, DONATING 3 HITS OF HIS OWN.

- MARK LEDER WHO SUBVERTED THE HOME TEAM'S ATTEMPTS TO BECOME VICTORIOUS WITH A 3 HIT ATTACK INCLUDING A MONSTER, MULTI RBI TRIPLE.

- DAVE GERBER, WHO DOUBLED AND TRIPLED TO FURTHER SUBMERGE THE HOME TEAM INTO THE LOSS COLUMN, ALONG WITH MULTIPLE HITS BY ZIG, JACK, MARIO AND ED IP WHO R-IP-PED 2 HITS PLUS A SACADELIC FLY WHICH WAS SHAGGED IN CF.

- BUT I SUBSCRIBE THAT THE GAME'S MVP, ALA BOBBY RICHARDSON, WAS BRYAN BLACK. IN AN ATTEMPT AT SUBTERFUGE, LORD BRYAN, DEEPEED A LINER AT SHORT AND SUBSEQUENTLY SNOW CONED A BULLET THERE WITH SPRINKLES AND SPARKLES.
- NOT ONLY THAT, BUT AT THE PLATE HE HOMERED, TRIPLED, AND HIT HE LONGEST

OUT OF THE CENTURY TO A RUNNING ED R IN WAY DEEP CF. BOOM, BOOM, BOOM, LET ME HEAR YOU SAY WAYOUT, WAYOUT.

- ALSO DON'T FORGET A THRIT (3 HIT DAY) FROM KONO AND NICE HITS FROM MARIO, JACK, PLATA, AND PFEF.

- SORRY FOR ITEMS OMITTED BUT,"THE OLD GRAY MATTER AIN'T WHAT IT USED TO BE, AIN'T WHAT IT USED TO BE, AIN'T WHAT IT USED TO BE." IF YOU REMEMBER THAT SONG, IT PROBABLY AIN'T WHAT IT USED TO BE FOR YOU EITHER.

## Game 16 Saturday, 5.10.25 KPP5

**Mother nature prepared for her big day by providing a soft, comfortable, underfoot for her favorite sons and she adorned the KPP pasture with a dome of majestic skies, bejeweled with graceful, serene, floating, clouds framed from below with a sparkling verdant, forest of full of welcoming, botanic life, tuneful birds and dancing butterflies. This nirvana gave rise to these bursts of heroics:**

**Mr. Kono sprinkled happiness to his team brothers with 4 hits, including a double and 3 rbi. Leder spread joy throughout the world with his 3 hits and 2 rbi.**

Alex of Chenz made the cosmos rejoice over his 3 hits including a homeric blast and double with 2 rbi.
Joe the Superb, caused the Eutopians to dance in the aisles of joy, upon hearing about his 3 symphonic hits including a dubloon.
Eye-widening hits were seen from Gary W, Ralph, Bobby, and Ed I.
Chenz made amends with double hitations and rbi-ified his aurations to gain adulations in conversations.

Adding gems to the universal cosmetics were:

- Ed R's running capture of an out of control, peace disturbing, death ray.
- Plata's neutralizing throw-out of an evil force headed to 2B on a basehit to SCF.

## Game 17 Sunday, 5.11.25 KPP5 BY,BRY, BRY, BABY BRY, BRY

Sent from my iPhone Douglas "The Accountant" Beck vs. John "The Judge" Hunt

A Beautiful day.

Joseph Sineno gets on base and Jonny Spiel stays en fuego, ripping a triple to drive in Sineno. Sac fly by Black drives in Jonny Spiel.

Bottom of the first, controversial play at second—Ziggy called safe (we always respect the ump's call, don't we?) Ziggy was driven in with a nice rip by Kono into right center. But the story of the inning was two beautiful plays in the field—Glenn's overhead catch of a fly ball at second, and Mark "Silent P" Pfeffer making a beautiful running catch of a rip off the bat of Ed the Cop that would've been at least a triple. Minimal damage—one run scores.

Top third: Sineno ripped a triple to left center, Johnny Spiel ripped a liner that's caught for a sac fly. Top of the order coming up for the Homers.

In approximately the top of the fourth, the replacement right fielder got overly creative on a few plays. His temp team didn't stop kvetching for an hour but the real damage was done by Gary Z with a hit and RBI and The Judge with a perfectly placed liner over third base, a rip by Bobbby!!! and a couple of other hits the editor can't recall.

Bottom of the fourth: truly amazing play by Joltin' Joe Sineno—one of the best in recent Great Neck softball history. Fully, fully extended dive to catch a ball in front of him and managed to hold onto it. Wow, Joseph.

Around this time Kenny The Hit Man Mersand took himself out with a strained quad. Get back out there soon, Kenneth!

Back to the action. Gary Z stayed hot with a hit in the top of the 5th. Nice rip by His Honor to move the runner to second. Alas, nothing doing.

Bottom fifth: Lee rips a liner down the line to drive in the only run of the inning. Glenn starts a very nifty 4-6-3 double play to end the inning.

Top 8th: Charney rips a hit to center. Bases get loaded up. Joseph Sineno, always dangerous, hits one to center, but a beautiful diving catch by Mark Kono ends the threat.

Bottom 8th: the aforementioned Gary "Ch-Ch-Ch" Charney makes a nice catch in right field and throws a pellet home to catch the tagging runner to end the threat and the inning. "Thank you, thank you very much. That's all I could say. That's all I can't stand no more," the interview-shy and somewhat cryptic Charney said after the catch.

Top ninth: couple runners on. Mark Leder hits an absolute bomb to centerfield that's caught, but it's a two-run sac fly, followed by Mark "What's the P For" Pfeffer with a rip to center for a home run.

Final inning: nothing doing. Game over.

Great and beautiful day.

Happy Mother's Day, everyone your moms would be proud of your friendships and sportsmanship.
